The following statement was entered into the record for Supervisor Yaroslavsky:

“The West Valley Area of the California Highway Patrol in Los Angeles County has received grant funds from the California Office of Traffic Safety to act as the lead agency for a multi-agency ‘DUI’ (Driving Under the Influence) task force and checkpoint project entitled ‘Arrive Alive Sober Driving Coalitions - United States 101 DUI Corridor Safety Project’. Agencies planning to participate in this project include the Los Angeles Police Department, the West Valley Area of the California Highway Patrol, and the Los Angeles County Sheriff’s Department. Under the terms of the grant agreement from the Office of Traffic Safety, the governing bodies of the participating agencies must authorize the execution of agreements to operate this project.

“DUI drivers are a significant traffic safety problem, and increasing anti-DUI law enforcement patrols is an important element in improving public safety.”

Therefore, on motion of Supervisor Yaroslavsky, seconded by Supervisor Antonovich, unanimously carried, the Board adopted the attached resolution expressing the Board’s strong support for the proposed multi-agency Driving Under the Influence (DUI) task force and checkpoint project entitled “Arrive Alive Sober Driving Coalitions - U.S. 101 DUI Corridor Safety Project”; and authorized the execution of necessary agreements with participating law enforcement agencies as required by the Office of Traffic Safety grant.
